

## Automatän acquires Nu-Tech

**Plover, WI based Automatän Inc has confirmed it, along with Lakeview Equity Partners, LLC, has completed the acquisition of Nu-Tech Corrugated Systems, Inc, based in Green Bay.**

Nu-Tech, founded in 2002 by James Kozlowski and Dennis Tackmier, provides quality parts and service for litho laminators, board feeders and stackers. Together, Mr Kozlowski and Mr Tackmier have more than 60 years of experience in design, installation and service of laminating equipment.

The acquisition will allow Automatän to offer even wider technical support capabilities and industry knowledge to its customers. The acquisition will also enable the company to accelerate its service and growth in the laminating

industry. “We are pleased that Dennis and Jim, who were previously part of Automatän, are rejoining us,” said Kevin Widder, CEO of Automatän. “This acquisition

is part of an ongoing strategy to provide the highest level of customer service possible, while acting in the best interests of our customers and employees. I look forward to working closely with Dennis and Jim to maximize our customers’ return on investment.”
